PROFILE

An ICT professional committed to leveraging technology to enhance efficiency in an innovative world. Passionate about reducing reliance on manual paperwork through the adoption of modern computing technologies. Dedicated to collaborating with both public and private organizations to integrate advanced computing solutions in the workplace.

WORK EXPERIENCE

Web development

2024 - PRESENT

Front End Developer

- I can make an impressive website portfolio for front-end development by using JavaScript, HTML, and CSS. I have an experience of two years.

Graphics design

2022 - PRESENT

- I am experienced in making 3D logos, flyers, posters, and banners. I have been working on this since 2023 to date. I am also experienced in editing photos using Adobe Photoshop and Illustrator software.

Leadership skills

2023 - PRESENT

- I have been a treasurer in leadership under the Uttermost Evangelistic Team (UET-JOUST) since November 2023 up to date.

Academic Writing

2024- PRESENT

- I am an Experienced academic writer with one year of expertise in research-based writing, editing, and formatting. Skilled in producing well-researched, plagiarism-free content across various disciplines, adhering to academic standards and citation styles.
